Theme of the WEEK:

St. Andrew's is throwing a birthday party for AMERICA! We'll be celebrating Independence Day with banners, flags and patriotic games.

We will explore what makes this great country great and create all things RED, WHITE & BLUE!

I want to say thank you again to all the families for understanding the changes that we are constantly making to keep the kids safe! We as an agency continue to monitor Covid-19 and make decisions based off the safety of the community.

For this reason we will be staying in Phase 1 until further notice. This is a 1-8 ratio and continued social distancing.

Also effective July 1, children over the age of 10, or in a group with the majority of children over 10, will be required to wear a mask while indoors and while outdoors when it is not possible to maintain the proper physical distancing of six feet. Parents are expected to provide a mask for their children.

Should you, your children, or another member of your household develop symptoms of COVID19 or come in close contact with a person diagnosed with or under monitoring for COVID-19 Stay home
