SAPPPC provides fitness center memberships at no cost to teammates as a benefit of working for the agency.

All teammates/contractors receive a family membership to St. Andrew's Family Fitness Plus. Family members are defined by the most current rules and regulations of the fitness center.

Seasonal teammates and persons contracted to run or assist with current St. Andrew's program offerings receive a family membership to Family Fitness Plus for the length of the program/season worked.

Substitute teammates receive a free daily pass to Family Fitness Plus for each shift worked.

Every teammate membership ends on the last date of the teammate's employment.

Memberships are a benefit for working at SAPPPC; consequently, they cannot be transferred to any person other than the teammate.
